The Cosmos of Soul: A Wake-Up Call for Humanity (Sirian Revelations) Patricia Cori

The first of the pioneering trilogy, The Sirian Revelations, offers cosmic wisdom to help humankind realize its highest potential.

The Cosmos of Soul offers a bracing tonic to the shadow of war, disease, and other grim phenomena of contemporary life. The solution, according to noted clairvoyant Patricia Cori, is to awaken into the richer, more meaningful, and empowered existence that is our true fate. Through her psychic contacts with more evolved beings, Cori offers timely insights into the ethics of cloning, the dangers of the Internet, the truth about the AIDS virus, genetic engineering, and other information. Of special interest are the author's predictions of what to expect after 2012, the closing of the Mayan Calendar—a time of galactic events that may change life forever.

From the Trade Paperback edition.
