The Emancipation of Massachusetts (Classic Reprint) Brooks Adams

Excerpt from The Emancipation of Massachusetts

I wrote this little volume more than thirty years ago, since when I have hardly opened it. Therefore I now read it almost as if it were written by another man, and I find to my relief that, on the whole, I think rather better of it than I did when I published it. Indeed, as a criticism of what were then the accepted views of Massachusetts history, as expounded by her most authoritative historians, I see nothing in it to retract or even to modify, I do, however, somewhat regret the rather acrimonious tone which I occasionally adopted when speaking of the more conservative section of the clergy. Not that I think that the Mathers, for example, and their like, did not deserve all, or, indeed, more than all I ever said or thought of them, but because I conceive that equally effective strictures might have been conveyed in urbaner language; and, as I age, I shrink from anything akin to invective, even in what amounts to controversy.

Therefore I have now nothing to alter in the Emancipation of Massachusetts, viewed as history, though I might soften its asperities somewhat, here and there; but when I come to consider it as philosophy, I am startled to observe the gap which separates the present epoch from my early middle life.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
