The SOS File Betsy Byars, Laurie Myers, Betsy Duffey

Have you ever needed to call 9-1-1, but you couldn't get to a phone? Have you ever needed to run, but your legs were like spaghetti? Have you ever needed to yell "help!" but your throat was dry with fear?

Laugh, cry, and panic with Mr. Magro's class as they listen to twelve exciting SOS tales

Throughout the year, twelve of Mr. Magro's students have written about their biggest emergencies and tucked them into the SOS file. Now it's time to read the stories out loud and try to guess whose contribution has not earned extra credit. Sit back and enjoy twelve humorously illustrated stories that are sure to keep your heart thumping.

The SOS File is a 2005 Bank Street - Best Children's Book of the Year.

From reader reviews:

Mary Andrade:

Book is written, printed, or created for everything. You can know everything you want by a guide. Book has a different type. As you may know that book is important matter to bring us around the world. Alongside that you can your reading talent was fluently. A publication The SOS File will make you to become smarter. You can feel a lot more confidence if you can know about everything. But some of you think which open or reading some sort of book make you bored. It's not make you fun. Why they may be thought like that? Have you trying to find best book or ideal book with you?

Joseph Fulkerson:

What do you think of book? It is just for students as they are still students or the item for all people in the world, what best subject for that? Only you can be answered for that question above. Every person has various personality and hobby per other. Don't to be pushed someone or something that they don't wish do that. You must know how great and also important the book The SOS File. All type of book could you see on many resources. You can look for the internet resources or other social media.

Travis Pope:

Often the book The SOS File will bring that you the new experience of reading any book. The author style to spell out the idea is very unique. If you try to find new book to study, this book very acceptable to you. The book The SOS File is much recommended to you to learn. You can also get the e-book from the official web site, so you can more easily to read the book.

Martin Song:

Many people spending their moment by playing outside using friends, fun activity along with family or just watching TV all day long. You can have new activity to shell out your whole day by looking at a book. Ugh, you think reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, getting everywhere you want in your Smart phone. Like The SOS File which is having the e-book version. So , why not try out this book? Let's notice.
