Ugly Emma Adams

In a world ever more focused upon global warming, climate change and the increased scarcity of resources Ugly is a dark comedy set in a future where food and water are dangerously scarce. A tale of four people who may have to kill their angels and become more like their devils if they are going to survive. Emotional, intense and visceral, this play breaks rules. It will also break your heart...

Ugly is not pretty, a timely reminder of what we are doing to our planet.....reading it might just change your life.
