Hope! (Italian Edition) Savio

***Scelta*.** Qualora la si effettui abbracciamo il concetto di appartenenza ma al contempo avviene una forma di privazione: paradossalmente, una scelta, la quale necessità di libertà, deve per forza lederla. Ci si priva di tutto il resto avvalendosi esclusivamente di ciò che si è scelto. Se non scegli sarai considerato un debole, uno di poco polso. Ma a voi altri incuriosisce ciò che invece non considerate? Ciò che scartate è tutto meno la vostra scelta, e la vostra scelta non è altro che qualcosa privato di tutto il resto. Vista da questa prospettiva può sembrare che chi sceglie sia effettivamente uno stupido, ma a sua discolpa confermo che è inevitabile, volente o nolente, glielo impongono spazio e tempo. Siamo predisposti per natura. Chi è freddo, chi non si ferma ad ogni apparente verità, lo sregolato, va oltre la scelta, ricerca tutte le alternative possibili, anche le più improbabili e improponibili, ed è questa la ragione di Hope!

***Libertà*.** Questa non sta nella scelta del bianco e del nero, del rosa, del giallo o del blu ma consiste nel sottrarsi alla logica perversa del limite imposto perché vuole prospettarci verso la creazione di nuove sfumature e nuove tonalità, nuove forme e movimenti.. ed è qui che critica e libertà si confondono, rileggete pure. Diventano un concetto unico.

Hope! vuol capovolgere le consuetudini ma non promette niente, perché Hope! non è per tutti.

Hope! è solo per chi ha pochi orizzonti. Hope! è il grido di un nuovo e diverso equilibrio.
