## **Masquerade** Nancy Moser

They risk it all for adventure and romance, but find that love only flourishes in truth...

1886. Charlotte Gleason embarks from England with conflicting emotions. She is headed for New York to marry one of America's wealthiest heirs--a man she has never even met. When her doubts gain the upper hand, she swaps identities with her maid Dora. She wants a chance at "real life," even if it means giving up financial security. For Charlotte, it's a risk she's willing to take. But what begins as the whim of a spoiled rich girl becomes a test of survival beyond her blackest nightmare.

For Dora, it's the chance of a lifetime. She is thrust into a fairy tale amid ball gowns and lavish mansions, yet is tormented by the possibility of discovery--and humiliation. And what of the man who believes she is indeed his intended? Is this what her heart truly longs for?
