Never Look Back

Never Look Back Linda Lael Miller
A hungry attraction. A hidden enemy.

Devoted defense lawyer Clare Westbrook, used to working for others, can now call the shots on her own terms. A multi-million-dollar inheritance from the father she never knew has allowed her to start her own practice. And with her teenage niece, Emma, whom she's raised as a daughter, on a school trip to Europe, Clare has been able to focus on turning a storefront in a tough Phoenix neighborhood into the legal firm of her dreams and offering her services to the troubled community. But just as she opens for business, explosive shots take out her street-level windows -- and nearly take her life. Someone clearly has targeted Clare, though she doesn't know who or why. All she knows is she must surrender to Tony Sonterra's protection if she wants to survive....

Sonterra has designs on a career move to the FBI -- and on rekindling his scorching, no-strings-attached affair with Clare. But can the man who sparks her passion be trusted with her life? Or is someone using Clare, the one person Tony has dared to get close to, to get to *him*?
