Hartley Howard

The Last Vanity (Bloomsbury Reader) Hartley Howard

Edwin Newsome was pretty worried about his brother's health - so worried that he hired Glenn Bowman to work his way into Harold Newsome's household to do some unofficial sleuthing.

Harold was suffering from an obscure sickness, and though he's recently married a pretty girl much younger than him, Edwin didn't think it was just blonde fever! In fact, he suspects that the lovely Moira is taking a short-cut to wealthy widowhood by putting poison in her husband's food.

Bowman's first step forward brings him up against a corpse, and even he can't make a dead man talk. This is only the beginning of a dramatic case that takes Bowman down a dark and slippery road to a startling denouement. There are some mysterious undercurrents beneath the surface involving family and staff alike, leading to a conclusion much more sinister than a scheming wife after her husband's money...

From reader reviews:

Loren Parker:

Hey guys, do you really want to find a new book you just read? Maybe the book with the headline The Last Vanity (Bloomsbury Reader) suitable to you? The particular book was written by popular writer in this era. The actual book entitled The Last Vanity (Bloomsbury Reader) is the one of several books which everyone read now. This particular book was inspired many people in the world. When you read this publication you will enter the new dimension that you ever know previous to. The author explained their plan in the simple way, thus all of people can easily understand the core of this book. This book will give you a large amount of information about this world now. To help you to see the represented of the world in this particular book.

Maritza Berry:

Often the book The Last Vanity (Bloomsbury Reader) has a lot associated with on it. So when you check out this book you can get a lot of profit. The book was written by the very famous author. McDougal makes some research before write this book. This particular book very easy to read you can get the point easily after reading this book.

Marion Richey:

The reason? Because this The Last Vanity (Bloomsbury Reader) is an unordinary book that the inside of the publication waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book beside it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So, it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of gains than the other book possess such as help improving your proficiency and your critical thinking method. So, still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Billy Smith:

This The Last Vanity (Bloomsbury Reader) is great publication for you because the content that is full of information for you who always deal with world and also have to make decision every minute. That book reveal it facts accurately using great organize word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but difficult core information with wonderful delivering sentences. Having The Last Vanity (Bloomsbury Reader) in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world with ten or fifteen minute right but this publication already do that. So, this can be good reading book. Hello Mr. and Mrs. hectic do you still doubt this?
