Field Marshal Sir Henry Wilson: A Political Soldier Keith Jeffery

Henry Wilson was the only British field marshal ever to die in action, killed on his own doorstep in 1922 by two IRA men (one of whom had a wooden leg). Wilson was a flamboyant, maverick Irishman, at the centre of affairs during the First World War years and after, recording everything in his wildly indiscreet diary. Using a wide range of official and private sources, this is the first modern biography of this controversial and misunderstood figure.
