**Samantha knows what she wants from life – and she's got it!**

1.A loving family. OK, her Mum's plan to marry her off to the world's most metrosexual man might not be ideal... but it's only because she cares!

2.A great job. Or at least: a job that leaves plenty of time to update Twitter and shop for designer bargains online...

3.A credit card, with a very generous limit. So generous that she's just spent over \$10,000 on an antique kimono...

But suddenly Samantha's charmed life starts to fall apart! From a hair-related fire to losing her job, Sam's facing bad karma – and it all started when she bought that kimono...

Sure, it's ridiculous. How could a piece of silk ever bring bad luck? But it can! Because, whether Samantha likes it or not, someone wants to teach her a lesson: it's what's inside that counts.

But will Samantha slow down long enough to listen?
