The new guy's turning her into a hot mess!

A difficult childhood left Sadie Martin more interested in work than anything else, including romance. But she'd be a fool not to notice that her newest employee is scorching hot. As long as he works for her, though, he's off-limits. Her company—sexy guys who clean houses—comes first. So why are Wyatt Anderson and his adorable niece always on her mind? When attraction turns into more, suddenly everything is a lot more complicated...and, frankly, a huge mess. What Sadie and Wyatt need is a clean slate. For understanding...and love.
