The Player Slayer is an outrageous and hilarious guide on how to defeat, reject and otherwise deflect the players in your life. It's a real world revision of The Rules, an urban answer to He's Just Not That Into You. With steel-sharp wit and cutting insight, "Ms. T" breaks down both the player and the game. Most importantly, she shows you how to turn yourself from a "mark"—alone, outraged and disappointed—to a "slayer" strong enough to withstand even the best game. Ms. T blows away the whole "don't hate the player, hate the game" smokescreen to reveal what makes a player a player, what makes his game work, and why women get beaten up in the game. This down-and-dirty guide will leave you empowered with the knowledge to outwit, outlast, and outplay even the player's player.
