The Weeping Tree: How the Weeping Willow Tree Came to Be So Sad Barbara Hassell

This book is the first in a series of Christian Nature Books for Children. The book teaches children not only about various kinds of trees but also poignant life lessons about prejudice and unkindness. Moreover, the book stimulates young readers to make things right if they offend someone through their words and actions. The book contains post-reading activities, suggestions, and lesson plans to foster children's understanding of others who may be different than them.

The second book in this series will teach children how to identify birds, and the third will emphasize wildflowers. All proceeds from the sale of this book are donated to organizations that fight human trafficking.
