Fidelio: English National Opera Guide 4 (English National Opera Guides) Beethoven

English National Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original. Fidelio is Beethoven's only opera and the composition he is said to have loved the most. Elizabeth Forbes introduces the background and composition of the opera, written and revised over the years when Europe was caught up in the Napoleonic campaigns. Basil Deane's musical commentary is the fruit of a life's study and devotion to the work. The last contribution is an extract from Ernest Newman's translation of Romain Rolland's classic study of Beethoven the Creator.
