## **Goldsmith's Return** Terry Richard Bazes

Demons . . . a murderous peeping Tom . . . a three hundred-pound psychic beautician . . . a two-headed baby . . . and a visionary painter haunted by a strange beauty and a family curse dating back to Napoleonic France. At once a mystery story, a love story, a kabbalistic conundrum, and a black comic farce in knockout prose, this is a novel you'll want to read twice.
