## **Rainbow of Mysteries** Norman Habel

In the biblical Flood narrative, the rainbow was the sign of God's covenant promise to never again to destroy the Earth with flood waters. The rainbow served to remind God of God's own bond with Earth. "My rainbow," says Habel, "represents my covenant promise to explore my bonds with Earth, my spiritual connections with creation." Each colour represents an often-overlooked aspect of creation and inspires the reader to consider our place in nature.
