The Life and Times of King Arthur: The Evolution of the Legend (Biography from Ancient Civilizations: Legends, Folklore, and Stories of Ancient Worlds) Susan Harkins, William H Harkins
Centuries ago, when the earth was still young and sorcerers and fairies were believed to roam the misty forest, a mortal man changed history. Arthur, born into a dark world of savage violence, united the Britons against their enemies at the battle of Mount Badon. For centuries, Britons shared Arthur's story around their campfires. Eventually, the story passed out of the Dark Ages and into modern literature. Follow Arthur, his wife Guinevere, and the knights of the Round Table as the story evolves from a world of warlords and bloodshed into a kingdom of mythical medieval knights, sorcerers, love, and ultimately, betrayal.
