### The Pretend Wife Bridget Asher

BONUS: This edition contains an excerpt from Bridget Asher's The Provence Cure for the Brokenhearted.

What would life be like with the one who got away? From the acclaimed author of *My Husband's Sweethearts* comes this bighearted, funny, fiercely perceptive tale about a happily married woman and the little white lie that changed everything.

For Gwen Merchant, love has always been doled out in little packets—from her father, who lost himself in work after her mother's death, and from her husband, Peter, who's always been respectable and safe. But when an old college boyfriend, the irrepressible Elliot Hull, invites himself back into Gwen's life with a surprising proposition, she suddenly starts questioning everything she's ever expected from love.

Elliot, it turns out, is in need of a pretend wife, just for the weekend, in order to fulfill his dying mother's last wish. But as Gwen finds herself drawn into Elliot's quirky, wonderful family—and uncovers a few secrets about her own—a pretend relationship just might turn out to be the most real thing she's ever known.
