Children's Gate J.L. Bailey

Nathan Adams and his younger brother Jared and twin sisters Jenna and Sophia are your typical small town children. That is, until they are abducted by an evil wizard and brought to another world where magic rules. This family has something of value, something that could prove to be fatal to all of them, and they must discover what it is and find a way to escape before it is too late. With the help of some interesting new friends they meet along the way the children begin to uncover clues as to why they were brought to this world in the first place, and the major role they are playing in the war between good and evil. "Children's Gate" is a coming of age story that takes you back to the insecurities and fears of childhood and the joy of pure imagination that resides within all of us!
