## **Jay Jeffers: Collected Cool: The Art of Bold, Stylish Interiors** Jay Jeffers, Alisa Carroll

In his first book, acclaimed interior designer Jay Jeffers displays the sophisticated yet playful spirit of his work. Jay Jeffers is known for his fearless and inventive use of color and pattern, his brilliant mix of art and furnishings-including antique, vintage, and modern-and the redefinition of traditional style from his modern point of view. Luxurious but livable, his designs always include a fresh and lively kick: a high-gloss, tangerine-hued ceiling or a hallway papered in a cheeky print. Jeffers presents his most stunning projects divided into four groups: Collected Cool, captivating rooms that are thoughtfully layered, revealing themselves over time through myriad details; Bold Bespoke, interiors viewed through a sartorial lens with custom elements essential to their unique style; Unabashed Glamour, rooms that make an instant impression with their luxe finishes, sumptuous materials, and sparkle; and Casual Chic, comfortable but stylish spaces with a sense of ease. In each section, Jeffers shares his process and gives guidance for re-creating the look at home. Witty and exuberant, and filled with details on process, color, furniture, and accessories, *Jay Jeffers: Collected Cool* will be an endless source of inspiration.
