Can Chelsea put aside her past to see what's standing right in front of her? First Lieutenant Peter Marshall has never felt as safe and whole as he does at Three Rivers Ranch. With massive scars covering most of his upper body, he's self-conscious and searching for his life's purpose. He thinks he's found it in Courage Reins, an equine therapy program for veterans he's starting out at the ranch. He didn't plan on the beautiful Chelsea Ackerman looking at his deformities with admiration. After her second failed engagement, Chelsea vows she'll never wear another diamond ring. But as she and Pete work together to train the horses and launch Courage Reins, she heals faster than she thought possible. Pete has a truckload of debt and no way to provide for a family, but Chelsea helps him see past all the obstacles, all the scars. With so many unknowns, Pete and Chelsea will have to develop the love, acceptance, and faith needed to find their happily ever after.
