**Sometimes you need someone to teach you the things you already know...**

Becky Montgomery's husband was a real catch. And when he died two years ago, she buried her emotions—and her needs—with him, and buried herself in her job.

Sailing aboard the cruise ship Alexandra's Dream for a weeklong vacation with her two children and a painfully exacting mother-in-law, Becky figures a Christmas holiday doesn't seem like the time to start dipping her toes into the sea of love. But when she finds a pendant that's supposed to bring her luck—and meets Dylan Langstaff, the ship's charismatic diving instructor—she may be ready to take the plunge.

Dylan has charmed a lot of women in his time working aboard Alexandra's Dream, but there's something different about Becky.

It's changing the way he wants to live...just the way something about him is changing the way she wants to love....
