## Champagne Supernovas: Kate Moss, Marc Jacobs, Alexander McQueen, and the '90s Renegades Who Remade Fashion Maureen Callahan

“Terrifically exciting and fun” (*Publishers Weekly*), *Champagne Supernovas* is “a lucid, smoothly executed look at a pivotal decade in the legacy of American fashion” (*Kirkus Reviews*) as told through the lives of Kate Moss, Marc Jacobs, and Alexander McQueen—the three iconic personalities who defined the time.

Veteran pop culture journalist Maureen Callahan takes us back to the pivotal style moment of the early 1990s—when supermodel glamazons gave way to heroin chic, when the alternative became the mainstream, and when fashion suddenly became the cradle for the most exciting artistic and cultural innovations of the age. *Champagne Supernovas* gives you the inside scoop from a bevy of supermodels, stylists, editors, photographers, confidantes, club kids, and scenesters who were there. They’ll tell the unvarnished story of three of the most influential personalities to emerge in fashion in decades—Kate, Marc, and McQueen—and show why the conditions in the 1990s were perfect for their rise...but also helped contribute to their personal struggles.

Steeped in the creative brew of art, decadence, and genius that defined the era, *Champagne Supernovas* is a “titillating ride through the fashion world” (*Elle*) that offers readers front-row tickets to a gloriously debauched soap opera about the losers and freaks who became the industry’s It Girls and Boys...and who changed the larger culture forever.
