Daundlerlust: Dispatches from Unreported Scotland Peter Ross

Peter Ross' articles from around Scotland provide a piece-by-piece portrait of a nation as it changes.

They show Scotland as she really is, a hopeful country not without problems and pain but a nation made great by the people who live, love, laugh and graft there.

From anatomists who find dissection beautiful to chip-shop owners who sing arias while serving fish suppers, the Scots in these pages come over as eccentric, humorous, moving and extraordinary.
