Finding Dad

Joseph Lynch

Finding Dad Joseph Lynch

It's not easy starting a new career. It's further complicated when the man you turn to for advice, your father, is suffering from dementia leaving his short term memory as crippled as some of the combat planes he once piloted. In the novel, FINDING DAD, we follow the author as he recounts his initial days and the years that follow in his chosen profession. One strange work episode after another is followed by another lesson from his knowledgeable but sick father. In time, it becomes clear that the patients the author is dealing with in his professional life mirror that of his own father. From Pearl Harbor to present day this book covers the heroic deeds of our fathers during war times, the crazed actions of an unstable boss and the inspiring last days of some of our most cherished senior citizens. The author learns that the lives of our nation's seniors are worth talking about and the lessons they can share are worth hearing. They lived amazing lives and they have much to teach us - if we will only listen.

From reader reviews:

Ramona Johnson:

A lot of people always spent their particular free time to vacation or maybe go to the outside with them family members or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity that's look different you can read the book. It is really fun for you. If you enjoy the book which you read you can spent all day long to reading a book. The book Finding Dad it is rather good to read. There are a lot of people that recommended this book. They were enjoying reading this book. In case you did not have enough space to create this book you can buy the particular e-book. You can m0ore easily to read this book from a smart phone. The price is not very costly but this book possesses high quality.

Bobbi Brunner:

The reason? Because this Finding Dad is an unordinary book that the inside of the book waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book beside it was fantastic author who else write the book in such remarkable way makes the content inside of easier to understand, entertaining means but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your skill and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the publication store hurriedly.

Laura Hill:

Do you one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Try to pick one book that you never know the inside because don't assess book by its include may doesn't work the following is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer is usually Finding Dad why because the excellent cover that make you consider about the content will not disappoint an individual. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.

Stanley Cooper:

Are you kind of hectic person, only have 10 or maybe 15 minute in your day to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are having problem with the book in comparison with can satisfy your short space of time to read it because this time you only find book that need more time to be go through. Finding Dad can be your answer since it can be read by a person who have those short time problems.
