Justice League of America: The Nail MARK FARMER, ALAN DAVIS

Taking place in an alternate reality, JUSTICE LEAGUE OF AMERICA: THE NAIL examines the nature of a world without Superman. Years in the past, a flat tire caused by a nail prevents the Kents from discovering a small rocket ship with an alien baby inside. As a result, the world's greatest hero never comes to be. Now, without a symbol of unimpeachable integrity or a selfless leader who inspires greatness in their ranks, Batman, Wonder Woman, the Flash, Aquaman, the Atom, and Green Lantern must battle public contempt and personal mistrust as they attempt to work together to protect a world that fears them.

From reader reviews:

Sally Oneal:

Do you one of people who can't read gratifying if the sentence chained inside straightway, hold on guys this aren't like that. This Justice League of America: The Nail book is readable by means of you who hate those straight word style. You will find the information here are arrange for enjoyable reading through experience without leaving even decrease the knowledge that want to deliver to you. The writer connected with Justice League of America: The Nail content conveys the idea easily to understand by many people. The printed and e-book are not different in the articles but it just different available as it. So , do you continue to thinking Justice League of America: The Nail is not loveable to be your top record reading book?

Vickie Hintz:

Are you kind of occupied person, only have 10 or 15 minute in your day time to upgrading your mind skill or thinking skill actually analytical thinking? Then you have problem with the book when compared with can satisfy your limited time to read it because all this time you only find guide that need more time to be learn. Justice League of America: The Nail can be your answer as it can be read by you actually who have those short extra time problems.

Lisa Bates:

Do you like reading a guide? Confuse to looking for your best book? Or your book ended up being rare? Why so many query for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes examining, not only science book and also novel and Justice League of America: The Nail or others sources were given information for you. After you know how the great a book, you feel want to read more and more. Science book was created for teacher or students especially. Those guides are helping them to increase their knowledge. In some other case, beside science reserve, any other book likes Justice League of America: The Nail to make your spare time far more colorful. Many types of book like this one.

Jessie Orlando:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Justice League of America: The Nail can make you really feel more interested to read.
