Light Blue Reign: How a City Slicker, a Quiet Kansan, and a Mountain Man Built College Basketball's Longest-Lasting Dynasty Art Chansky

The 09'–10' NCAA college basketball season marks the 100th anniversary of North Carolina basketball. The Tar Heels have earned top-five rankings in preseason polls four of the last five years, twice at #1. But they weren't always seen as a power - house team. Their strength has been decades in the making.

Light Blue Reign documents the building of a program, a behindthe- scenes, far-reaching, wide-angle perspective on one of the most formidable college basketball teams in the country. Art Chansky, a sportswriter who has covered basketball on Tobacco Road for more than 30 years, uses first-hand accounts from interviews with people who were present during the fifty-year dynasty to construct an intimate, detailed narrative of what it was like to play and work for the three Hall of Fame coaches who defined this era of success.
