Michael and Me: The Untold Story of Michael Jackson's Secret Romance Shana Mangatal

More than six years after his death, Michael Jackson continues to fascinate the world. Shana Mangatal was one of Jackson's only constant and true rocks of stability for nearly two decades. Their relationship was quiet and sweet and real—a closely guarded secret, known only to a few trusted employees and friends. Shana is now coming forward to tell their love story. Her story is rich with every little detail. She witnessed the scandals, lawsuits, the release of groundbreaking albums and subsequent world tours, big-budget short films, addictions. *Michael and Me* entertains and inspires, but above all, Shana continues to treat Michael (and his legacy) with respect. This is not an exploitative tell-all, but rather a book that shows the side of Michael people never knew. In it, Shana paints a more intimate picture of this beloved, yet very misunderstood man.
