Monumentos Nacionales de La Argentina (Spanish Edition)

Nacional de Las Artes Fondo

Monumentos Nacionales de La Argentina (Spanish Edition) Nacional de Las Artes Fondo

Esta obra es la cristalización de un proyecto conjunto del Fondo Nacional de las Artes, el Centro de Documentación de Arquitectura Latinoamericana (CEDODAL) y la Comisión Nacional de Museos, Monumentos y Lugares Históricos. A partir de un relevamiento "in situ" de los monumentos nacionales de la Argentina, presenta una selección de cien ejemplos de monumentos históricos, representativos de todas las regiones del país que, con la periodización propuesta por el CEDODAL, sintetiza todas y cada una de las etapas de la historia del patrimonio monumental edificado en el país. La selección incluye no sólo bienes representativos de hitos o personajes históricos, o de la vida religiosa, sino también restos de poblados de la cultura precolombina, los Cabildos de la época colonial, casas representativas de la vida cultural, bienes del patrimonio industrial que representan el perfil agroexportador del país.
