Possible: A Blueprint for Changing How We Change the World Stephan Bauman

We need a better vision for saving the world.

Across the world, people like you are rising up to fight poverty, oppression, and injustice—not just professionals, but bloggers, musicians, entrepreneurs, artists, and advocates. People who refuse to accept the world as it is, who dare to believe change is possible.

But we face a crisis of vision. We sense what needs to be done, but often we don't know how to do it. Without a better blueprint for doing good well, our moment in history will slip away.

Stephan Bauman, president of World Relief believes true change begins in the hearts and actions of ordinary people. In *Possible*, he presents clear and biblical thinking, powerful stories, and practical tools for sustainably impacting our workplaces, neighborhoods, villages, and cities.

Possible is an eloquent and personal call to reconsider what it means to change ourselves so that we can change the world.
