# Script and Scribble: The Rise and Fall of Handwriting

*Kitty Burns Florey*

**Script and Scribble: The Rise and Fall of Handwriting** Kitty Burns Florey

"A witty and readable (and fetchingly illustrated and glossed) excursion through the history of handwriting."  
—*The Wall Street Journal*

**Let a self-confessed "penmanship nut" take you on a tour of the strange and beautiful world of handwriting.**

Since her Catholic school days learning the Palmer Method, Kitty Burns Florey has been in love with handwriting, and can't imagine a world where schools forego handwriting drills in favor of teaching something called *keyboarding*.

In this "winsome mix of memoir and call to arms" (*Chicago Tribune*), Florey weaves together the evolution of writing implements and scripts, pen-collecting societies, the golden age of American penmanship, and the growth in popularity of handwriting analysis, and asks the question: Is writing by hand really no longer necessary in today's busy world?

"Charmingly composed and handsomely presented," *Script & Scribble* traces the history of penmanship to the importance of writing by hand in an increasingly digital age (*The Boston Globe*).

*From the Trade Paperback edition.*
