Specimen Days: A Novel

Michael Cunningham

Specimen Days: A Novel Michael Cunningham

In each section of Michael Cunningham's bold new novel, his first since *The Hours*, we encounter the same group of characters: a young boy, an older man, and a young woman. "In the Machine" is a ghost story that takes place at the height of the industrial revolution, as human beings confront the alienating realities of the new machine age. "The Children's Crusade," set in the early twenty-first century, plays with the conventions of the noir thriller as it tracks the pursuit of a terrorist band that is detonating bombs, seemingly at random, around the city. The third part, "Like Beauty," evokes a New York 150 years into the future, when the city is all but overwhelmed by refugees from the first inhabited planet to be contacted by the people of Earth.

Presiding over each episode of this interrelated whole is the prophetic figure of the poet Walt Whitman, who promised his future readers, "It avails not, neither time or place . . . I am with you, and know how it is." *Specimen Days* is a genre-bending, haunting, and transformative ode to life in our greatest city and a meditation on the direction and meaning of America's destiny. It is a work of surpassing power and beauty by one of the most original and daring writers at work today.

Victor Loy:

Reading can called brain hangout, why? Because when you are reading a book particularly book entitled Specimen Days: A Novel your head will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging each and every word written in a guide then become one type conclusion and explanation this maybe you never get before. The Specimen Days: A Novel giving you an additional experience more than blown away your thoughts but also giving you useful details for your better life in this particular era. So now let us demonstrate the relaxing pattern here is your body and mind will probably be pleased when you are finished reading through it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Phillip Darrah:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Specimen Days: A Novel can make you really feel more interested to read.
