Dead in the Water (The Reid Bennett Mysteries Book 1) Ted Wood

His life destroyed because of a bad rap he took for murdering two guys to prevent a rape, Reid Bennett relocated to Murphy's Harbor, a quaint little town in Canada. But was it really the quiet little place it seemed to be? A corpse and a scared woman, each found on a different side of the lake. Then, another corpse. Reid, with his German shepherd Sam by his side, must go above and beyond the call of duty to get to the bottom of this mystery. The only way he can solve it and remain alive is to stretch the traditional definition of a police officer.
