The third title in our exciting relaunch of Point Horror!

Hayley is going to have the best year ever. After years of careful planning, she's ready to serve as student council president AND editor-in-chief of the newspaper. Ivy League, here she comes!

However, just before student council elections, someone creates a fake facebook profile for Hayley and starts posting inappropriate photos and incriminating updates. It must be the work of a highly skilled Photoshopper, but the attention to detail is scary. The embarrassing photos of "Hayley" in her bathing suit reveal a birthmark on her back--a birth mark Hayley has never shown in public. . . .

The situation escalates until Hayley's mother reveals some shocking information. Hayley isn't an only child: She has a twin sister who was adopted by a different family. And that's not all. Soon, Hayley discovers that her long-lost sister isn't just playing a prank--she's plotting to take over Hayley's life . . . by any means necessary.
