Italic Handwriting Series Book G Barbara Getty

NEW 4TH EDITION! This is the seventh of a seven book series (K-6th grade) providing instruction in italic handwriting. We recommend Book G for students in the sixth grade and beyond (although older students might prefer our more comprehensive book for adults "Write Now"). The final book in the series contains practice paragraphs acquainting the student with a brief history of the origins of our letters, from cave paintings to copperplate. Rich in meaningful instruction. Last few pages are reserved for experimentation with edged pens. Detailed illustrations.
