The Long Awakening: A Memoir Lindsey O'Connor

"A searingly honest story of one woman's awakening from a coma after her baby's birth--and her long road back . . . Unforgettable."--**Eric Metaxas**, *New York Times* bestselling author

"Brilliant and renewing. A spectacular work of reflection, remembering, reconciling, and recovering. Memoir writing at its finest."--**Patricia Raybon**, author of *My First White Friend* and *I Told the Mountain to Move*

"Good things often happen when a great story meets a talented storyteller. But Lindsey O'Connor's grasp of literary journalism gives this personal narrative much more substance than the typical memoir. Strong reporting places her experience in larger contexts that add depth and understanding. A true *story* in the deepest sense of the word."--**Jack Hart**, author of *Storycraft*, writing coach, former managing editor of *The Oregonian*, and editor of two Pulitzer Prize-winning stories

"A lyrical, stunning tale of one woman's return to life. A laughing, weeping story of a family finding their way back home."--**Claire Díaz-Ortiz**, author, social innovation at Twitter, Inc.

"O'Connor takes us into the groundlessness of intense trauma and reentry, and candidly (sometimes brutally so) shows what it is to resist, receive, and *be . . . grace*."--**Laura Munson**, author of the *New York Times* and international bestseller *This Is Not the Story You Think It Is*

"Be careful picking up *The Long Awakening* because you may be unable to put it down. This is a moving, intimate story, arrestingly written, that glimmers with a keen understanding of what matters."--**John Biewen**, audio program director at the Center for Documentary Studies at Duke University and editor of *Reality Radio: Telling True Stories in Sound*

"For Lindsey O'Connor, surviving a 47-day coma was only prologue to a miraculous story of science, doubt, faith, and love. Hers is an astonishing narrative, courageously told."--**David Schulman**, former senior producer, BBC's *Americana* and creator of public radio's *Musicians in Their Own Words*
