All the stars come out in Cape Light...

A movie crew arrives to shoot a film in Cape Light, and Angel Island provides a perfect backdrop. Liza's inn welcomes the cast and crew, including the famous actress Charlotte Miller. Charlotte is surprisingly down to earth and is totally charmed by the island, especially the inn, where she chooses to stay instead of at more lavish accommodations. But one day, Charlotte nearly drowns and is saved by local fisherman Colin Doyle. Their attraction is instant and undeniable—even though they come from completely different worlds.

As Charlotte spends more time on the island, the relationship seems meant to be. They keep meeting up, by accident at first, then on purpose. But Colin believes he has little to offer this celebrated beauty. He doesn't realize that Charlotte would give up her glamorous life for him and Angel Island, if only she knew his true feelings. It seems only a miracle could bring them together. Then again, with faith and love on their side, Angel Island is just the sort of place where miracles can happen.
