Fair Game Elizabeth White

“Nothing worth having is easy to get... ana Cutrere’s homecoming to Vancleave, Mississippi, is anything but dull. Before she’s even reached town, the beautiful young widow has a run-in with a stray cow, loses her son in the woods, rescues an injured fawn, and comes face-to-face with Grant Gonzales, her high school crush. Grant recently returned to town himself amid hushed controversy. His only plan: leave the corporate world behind and open a hunting reserve. Seeing Jana again ignites old memories . . . and a painful past. Tensions boil over when he learns exactly why she returned. Jana plans to convince her grandfather to develop a wildlife rescue center—dead center on the prime hunting property he promised to sell to Grant! Jana is determined to make a new start for herself and her two children—and willing to fight for it. With deadlines drawing near for the sale of the property and no decision from her grandfather, can Jana trust God with her and Grant’s future, or will explosive emotions and diametrically opposing views tear them apart?
