La porta aperta: Immigrazione e cooperazione ravennate (Italian Edition) AA. VV.

L'immigrazione straniera in Italia rappresenta ormai nella società italiana un dato strutturale, e ciò rende sempre più necessarie delle politiche che favoriscano l'integrazione non solo da parte delle istituzioni e della società civile, ma anche dei soggetti economici e imprenditoriali. Le cooperative, in particolare, possono giocare un ruolo importante e significativo agendo pratiche di inclusione sia attraverso la leva occupazionale sia attraverso quella della partecipazione. Ma quanti sono gli stranieri che sono oggi occupati nelle cooperative? In quali settori? Quanti i soci? Cosa significa cooperazione per gli immigrati? Quali sono le difficoltà incontrate? Qual è l'arricchimento generato dalla diversità culturale? Il libro illustra la ricerca realizzata nelle cooperative della provincia di Ravenna con l'intento di fornire una risposta a queste domande e di approfondire il rapporto fra la cooperazione e la popolazione immigrata, di quantificarne la presenza, di capire se e come il modello cooperativo ha facilitato il loro processo di integrazione, nell'ottica di verificare e costruire buone prassi in questo campo.
