Shades of the Wolf Karen Whiddon

Could she lead him to the one thing he'd missed when he was alive?

Ever since her husband died in Afghanistan, shape-shifter Anabel Lee has been haunted—by every ghost except the one she longs to see. But when Tyler Rogers appears, Anabel senses something different about him. It's not just his piercing blue eyes or sexy voice. Even though he's a ghost, Tyler is more real than anyone she's met in years.

Tyler needs Anabel's help. His sister has been abducted by a powerful warlock, and he can sense her light fading fast. Confined to the spirit realm, he needs to join his powers with Anabel's to bring his sister back from the darkness. As they work together against time and magic, will they discover a passion strong enough to bridge this world and the next?
